March 18th Gazette no 3.

What a wonderful response we have had from our school community! So thank you once again to all the families who have volunteered to either run their stall again, coordinate a new stall, or offered their time and support to help make our fete GREAT!

We are still looking for a couple of volunteers to coordinate two of our food stalls. Both hamburgers and chicken wraps do not require any work leading up to the fete, besides helping the class reps draw up a roster to help on the day. They do however require some help with the food preparation the day before the fete and then obviously on fete day. You would not have to source the food yourselves as our food coordinators will do that for you. They will also assist you with food preparation and guide you with what is required for the day. Both the hamburger and chicken wrap stalls have proved to be very successful, hence busy on the day, so why not have a chat with your friends and volunteer together.

For those of you who have not attended the fete before, we have a stage set up on the bottom synthy turf where we often have the school choirs, local dance companies, local "musicians" performing throughout the day. This is followed by a disco at 6pm where you can relax with friends, have a glass of wine (if desired) and a bite to eat and watch the kids boogie away! In order to make this run as smooth as possible we are looking for a volunteer to coordinate the stage performers. Greg Arvidsson, our MC, will be doing all the announcements and public speaking, so you would not be required to be "on stage" yourself. We will assist you (in any way we can) with sourcing and coordinating the acts scheduled to perform.

Thanks to Russell, Shannon and Roger who have volunteered to be part of the Dad’s Army. We would love to hear from any other Dad’s who would be interested in also joining them.

If you (and a couple of your friends) are interested in coordinating one of these stalls or joining the Dad’s army please contact Barb at your earliest convenience.
We will be holding a stall coordinators meeting in the first couple of weeks of term 2 so please keep an eye out in the school newsletter for that date.

With thanks,

Barb
