

# THE GREAT FETE 2018

Welcome to our first "Great Fete" Gazette!

Please get your diaries and block out **Saturday 17<sup>th</sup> November**, as it's when Hartwell Primary School's **GREAT FETE** is scheduled!!

This is an extremely important event when both the school and local community come together to create a fantastic day for the whole family with a host of rides, craft, food, entertainment, activities stalls and so much more!

The **GREAT FETE** is an excellent opportunity for both new and current families to become involved in the biggest event on the school calendar and contribute to making it a memorable day for everyone!

To keep you all informed the **GREAT FETE Gazette** will be distributed regularly throughout the year to all HPS families. Please read through each newsletter which will be coming home with your children, as it contains all the latest GREAT FETE news and ongoing updates.

We would love to hear from families that are interested in getting involved and there are many ways to contribute, big or small, on the day of the GREAT FETE or leading up to the event. We are always looking for new and innovative ideas and as we know many hands make light work!

## **SILVER & BRONZE SPONSORS**

We are currently seeking SILVER & BRONZE SPONSORS which are available to all families and or businesses. By sponsoring the GREAT FETE, you will be given the opportunity to gain significant advertising exposure for your business leading up to the event as well as on the day. With over 500 families attending Hartwell PS, you are guaranteed to make an impact. If you are interested in becoming a sponsor and learning more about this fantastic opportunity, please contact me and I'll be happy to discuss the Sponsorship Packages to you.

## **SILENT/LOUD AUCTION**

The Auction, both Silent and Loud plays an extremely significant role at the fete as it represents a large percentage of the fundraising achieved on Fete Day.

This year we have a new Auction Committee with Jacqui Hilton and Alissa Turinui kindly heading up the Auction Team. We still require more people to join the auction team, so please let me know if you would like to assist.

In order for this to continue to be the successful, it requires a wide range of interesting items that we will auction on the day. Some examples of items donated in previous years include: Bikes, IPOD's,

Music/Sporting Memorabilia, food/Café vouchers, women's products such as perfume, skin care etc, family fun i.e. movie tickets, amusement park vouchers. Our list is endless!

We would love to hear from any families who think they can assist in this process. If many families contribute, it will simplify the task of sourcing auction items and will provide an interesting mix of items to auction on the day. Your donation(s) will be gratefully acknowledged in the auction/raffle advertising.

Please consider donating your talents to the Great Fete Silent Auction. We are looking for skilled parents or friends of Hartwell to donate their unique abilities and in return you (or your business) will receive promotion via the school newsletter. Reserve prices will apply to ensure the value of your donation. If you'd like to discuss making a donation, please contact the friendly auction team.

With thanks...

### **STALL CO-ORDINATORS REQUIRED**

Thank you to all the parents who have volunteered to run their stall again this year, we really appreciate your continued support.

We have quite a lot of families that are no longer at the school and so this year we are calling on new co-ordinators to run a stall. Even though we have had a great response from our Hartwell community there are still a number of stalls that still require a coordinator(s). The stalls are extremely important and without a co-ordinator, it is very difficult to successfully run the various stalls.

For those families that are new to the fete or have not been a stall coordinator before, the role of the coordinator is to organise in conjunction with the class reps, a roster of helpers on the day, or perhaps leading up to the day. To sometimes source items that will either be utilized on the day or even sold on the day, such as lollies, or plants. Our food coordinator Liz will give the food stall coordinators all the guidance they need to run the stall on the day. The fete committee will be there to provide support and practical advice and address any concerns you may have regarding your stall. Please be reassured that you will not be left alone to coordinate the stall you have volunteered to run.

Why not have a chat with your friends or one of the mums/dads in your class and volunteer to run it together? It's a great day for the kids, families and community, often made better by being with and making new friends!

The following stalls are in need of a Coordinator/s:

- |                             |                                       |
