

March 2020

Dear Parents

Hartwell Primary School extends a very warm welcome to all parents of children who will be beginning school in 2021. The transition from Pre-School to school is an important one for all children. Our Prep Orientation Program will involve a variety of opportunities for parents to learn more about the programs we have to offer at Hartwell and then an intensive Transition Program for children in Terms 3 and 4.

Prep Information Evening - Wednesday 20th May 2020 at 7.30pm in the Prep Learning Community

Parents are invited to an Information Evening to meet the school leadership team, Prep Co-ordinator and the 2020 Prep teachers. This will be a chance for you to learn more about our Transition Program, Prep Literacy and Numeracy programs and other opportunities available to students at Hartwell Primary School, and to see the Prep classrooms.

Group Tours

Tours of the school are being conducted each Tuesday morning commencing on Tuesday 21st April and continuing during Terms 2 & 3. Please meet at the school office at 9.30am. To reserve your place on a tour please call the school office on 98894012. ***[This is important to ensure that there are not too many on each tour. Thanks for your help with this.]***

Saturday Morning Tour

A tour of the school will be conducted on Saturday morning, May 23rd commencing at 9.30am. We hope this tour will accommodate those unable to visit on other occasions. Please telephone the school to book a place (9889 4012).

Individual Tours

Parents are invited to book for an individual tour / appointment with the Principal, if they cannot attend any of the tours listed above. Please telephone 9889 4012 for an appointment.

Transition Visits for Children

Pre-school children will be invited to a series of visits to school in order to get to know the Prep teachers, school routine and each other as part of our "Ready, Set, Go" program. These will be held on Friday mornings throughout Terms 3 and 4. During the last visit the children will meet their Year 6 buddies and will spend more time at school.

We look forward to meeting with you. Questions about our neighbourhood boundary and the likelihood of your child's enrolment being accepted will be addressed on the tours as will any other questions you may have.

Yours sincerely
