Optimism | Integrity | Empathy | Respect | Cooperation *Strive For The Highest*

In this issue:

- House Cross Country
- Year 4 Camp
- Year 3 Camp
- Year 2 Swim Program
- Diary Dates
- Reminders

Dear Parents,

Welcome back for Term Two! This is a short term, only nine weeks but we have so much to pack into the time. We began the week with an ANZAC Day special assembly run by the SRC and then a beautiful rendition of 'I Still Call Australia Home' by the senior choir.

On Friday our students will put on their shorts, runners and their 'Hartwell have-a-go' attitude as all year levels participate in our House Cross Country down at Lyndon Park. This is a massive highlight for some students and for others it will be quite nerve-wracking - this is very normal; showing optimism and resilience is what many school experiences are all about. Please make sure your child has a water bottle and sunscreen if it turns out to be sunny.

Production rehearsals begin this term and we will keep you updated on how that is all progressing.

Camps and Programs:

We have our Year 3 and 4 students off to camp as they head to Phillip Island for three days each - another great opportunity to practise resilience, to make new friendships and to build teamwork.

Our swimming program also begins next week with the Year 2 cohort first up.

Chess Club is on again starting next week open to all year levels and abilities and payment is open now on Qkr until Friday 28th April. This club meets at lunchtimes and is facilitated by coaches from Northern Star Chess.

Photos:

If your child was absent from school when SchoolPix came at the end of last term, there is a catch up day next Friday 5th May. Please ensure you have booked online by Thursday 4th May.

Boroondara Active and Safe Schools (BASS):

Our participation in the program run by Boroondara Council begins next week with road safety incursions for Years 1, 2, 5 and 6. The program continues for four weeks and we will keep you updated on how the students are responding to the learning. Road safety

2023 Dates to Remember

Monday	21	Book Week
	September	
Thursday	14	P – 2 Tabloid Athletics Day Year 2 Camp / Evening Activities
Friday	15	End of Term 2 – 2.30 finish

is a critical topic. With an increase in traffic, especially during peak hours, the chances of accidents are higher. We know that you understand the importance of educating your children on road safety and how to be responsible and cautious while on the road. The classes will cover topics such as crossing the road

safely, understanding road signs and markings, bicycle and scooter safety, driveway safety and how to be safe around vehicles. The sessions will be interactive and engaging and students will gain valuable information that will help them stay safe while travelling to and from school. The road safety incursion classes will also help students develop positive attitudes towards road safety and become responsible road users.

Reminders:

- Please ensure your child's clothing is named. At this time of year students start the day with a jumper on but rarely end it that way!
- Friday 19th May is a Curriculum Day and the school will be closed to students. Team Kids will continue to run a program.
- Please remember that dogs are not permitted within the school gates. Thank you for your understanding.
