Dear Parents,

What a fantastic semester we have had at school! The children should be very proud of their achievements and progress in their learning over the last two terms. It is always a pleasure to see such enthusiasm, engagement and a strong sense of pride from each student as they share their work and receive acknowledgements.

Our wellbeing programs go from strength to strength at Hartwell through the incorporation of our work with The Resilience Project and this term 'The Stand-Up' project. I also commend the children for the way they understand and show our values of empathy, optimism, respect, co-operation and integrity – we are growing fabulous citizens at our school!

### 'FINDING NEMO KIDS'

On Tuesday we were treated to a magical underwater performance of 'Finding Nemo Kids.' Our Year 6 students were incredible as they entertained, sang and acted their way through the show. Along with the dress rehearsals during the day and the final show in the evening, each student gave their very best as they told this much-loved story. Congratulations to our performers, stage managers, choreographers, art directors and our musical director for the work that has been put into this production. In particular to Jos Markerink, Anabelle Barker, Rose Cincotta, Zoe Lin and the Year 6 team who have organised and worked so hard behind the scenes to stage this incredible show – what a fabulous way to finish our semester!

### CITY OF BOROONDARA COMMUNITY ARTWORK

our school had the opportunity to be one of four local primary schools to contribute to a mural which will be located in Hartwell Shopping Village. We were thrilled to participate and this Saturday 29 June the installation will be opened. Below is a flyer from Boroondara Council with more information. My thanks to everyone at our school who participated in the creation of this mural, what a special project for Hartwell to be a part of.
