

HARTWELL PRIMARY SCHOOL 4055

November 2022

Dear Parent/Guardian,

Hartwell Primary School is looking forward to another great year of teaching and learning and would like to advise you of Hartwell Primary School's voluntary parent contributions for 2023. School Council have reviewed the parent contributions for 2023 and decided that they will remain the same as in 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. **Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.** We want to thank you for all your support, whether that's through payment of the voluntary financial contributions, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us a wider offering of subjects and special curriculum experiences; enhanced digital learning opportunities including leasing sufficient laptops and iPads for student use, extra specialist programs such as Science and a fantastic Library.

Some of the projects undertaken for 2022 are listed below:-

- Replacement of our front door
- 2nd Phase (part of the main building) of painting. We intend completing the painting of the main building in 2023
- Create & Make Garden
- Replacement of decking around Prep rooms
- Mural
- Amphitheatre Upgrade
- Replacement of Air conditioners in Years Prep 1 & 2
- General repairs & Maintenance of school buildings
- Replacement of Rugs in Years Prep – 2
- Music Room Fitout

It has also enabled us to continue to employ a handyman and gardener to ensure regular maintenance of our buildings and grounds.

It is due to the generous support from our families that we are able to offer the many learning opportunities and provide a safe and inviting learning space for our students and staff. Without your support with these contributions this would not be possible.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Jenny Martin
School Council President

Principal

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
